Upcoming Engagement Opportunities

Outreach Efforts

Postcards in English and Spanish were mailed to more than 12,700 home owners, residents, and businesses along the project corridor providing notice for the Open House and Public Hearing during the week of October 29, 2018.

In March, SANDAG mailed 13,600 home owners, residents, and businesses along the project corridor providing notice for upcoming start of construction.

CONSTRUCTION NOTICE

WORK TO BEGIN ON THE BORDER TO BAYSHORE BIKEWAY PROJECT

Construction of the Border to Bayshore Bikeway project will begin this month and is anticipated to last approximately 2 years. In preparation for the start of construction, SANDAG will host a virtual **Construction Information Session via Zoom on Thursday, April 6 at 6 p.m.** Spanish interpretation will be available. To learn more about the bikeway and sign up for email updates, please scan the QR code below. Each month, a construction update will be sent via email outlining upcoming construction activities. Work schedules will vary, including nights and weekends. We appreciate your patience during construction.

ABOUT THE PROJECT

The Border to Bayshore Bikeway is a 6.5-mile bikeway that will connect the world's busiest land border crossing at the San Ysidro Port of Entry to the Bayshore Bikeway in Imperial Beach. The project aims to provide safe biking connections within and between the communities of San Ysidro, San Diego, and Imperial Beach. Once complete, the project will provide a vital connection for residents and visitors to travel to and from the Mexican border, helping fulfill the vision laid out in the San Diego Bike Plan Early Action Program (EAP).

Related Project: Construction of the Beyer Boulevard Slope Improvements Project in San Ysidro is expected to begin in July 2023.
