

Construction Advisory #7 I-15 Express Lanes Night Closure

Please be advised that from 8 p.m. on Thursday, Sept. 26, through 5 a.m. on Friday, Sept. 27, construction activity in the median of I-15 will require a northbound closure of the Express Lanes from Miramar Road/Pomerado Road to Mira Mesa Boulevard. Northbound I-15 main lanes may also be subject to partial lane closures during this time.

Signs will be posted on the freeway to direct Express Lanes motorists where to exit and re-enter the lanes. This closure will allow crews to continue construction of the Mira Mesa Direct Access Ramp (DAR).

The Mira Mesa DAR, along with the new Miramar College Transit Station, which is also under construction, will link to the I-15 Express Lanes via Hillery Drive. This will be the fifth DAR constructed along the I-15 Corridor and will support future Rapid Transit service beginning in summer of 2014. Construction of the DAR and transit station is scheduled to be complete next year.
