

MID-CITY RAPID Connecting with the I-15 Bus Rapid Transit Project

EL CAJON BLVD

MID-CITY RAPID

UNIVERSITY AVE

The Mid-City Rapid will connect to the I-15 Bus Rapid Transit (BRT) Project, which in turn will link Mid-City to job centers in Mira Mesa, Sabre Springs, Rancho Bernardo, and Escondido. The Mid-City Centerline component of the I-15 BRT Project includes two freeway-level stations at the El Cajon Boulevard and University Avenue ramps.
