

» I-5/Genesee Avenue Interchange Project

JAN 2017

Construction Advisory

Overnight Reduced Lanes on Interstate 5 at Genesee Avenue January 16

Closures

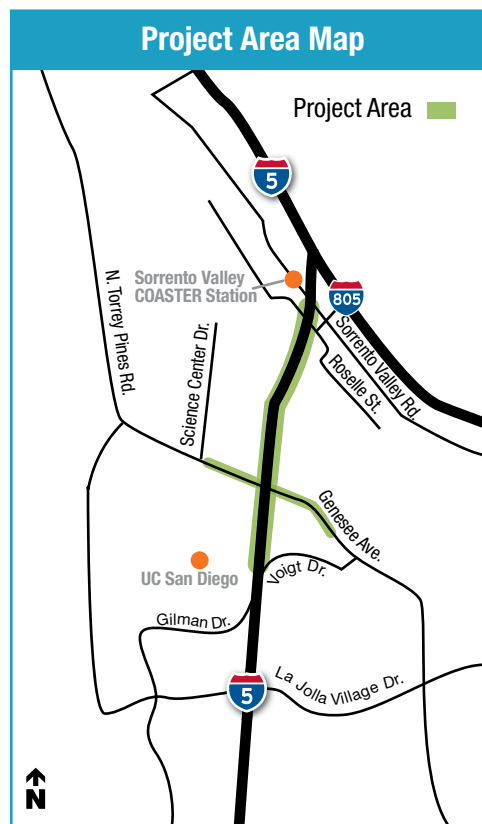

Motorists should be advised that there will be intermittent reduced lanes overnight on Interstate 5 (I-5) at Genesee Avenue Monday, January 16 from 7 p.m. to 5 a.m. Additionally there will be reduced lanes on Genesee Avenue. These closures will allow construction crews to pour concrete to fill the beams inside and at the bottom of the second half of the new I-5/Genesee Avenue Bridge.

Please view our online closure list [here](#) for details.

Delays are expected. Motorists and people on bikes are advised to plan their travel accordingly and avoid the area if possible. Access for emergency vehicles will be maintained. Pedestrian access on Genesee Avenue is closed during construction.

Access real-time traffic info through any of these resources: [511SD](#), [Caltrans QuickMap](#), [WAZE](#), [Google Maps](#), or [Shift San Diego](#).

Please note: construction schedules are weather permitting and subject to change. We appreciate your patience as we work to improve the interchange.

For Transportation Solutions During Construction

About the Project

The \$105 million project will replace the existing six-lane Genesee Avenue overpass with a ten-lane structure that will include additional vehicle lanes, new bike lanes and sidewalks, and better accommodate current and future traffic demands in the San Diego region. The I-5/Genesee Avenue Interchange Project is expected to be completed in late 2017.
