

Upcoming Night Work Along Manchester Avenue February 6-9

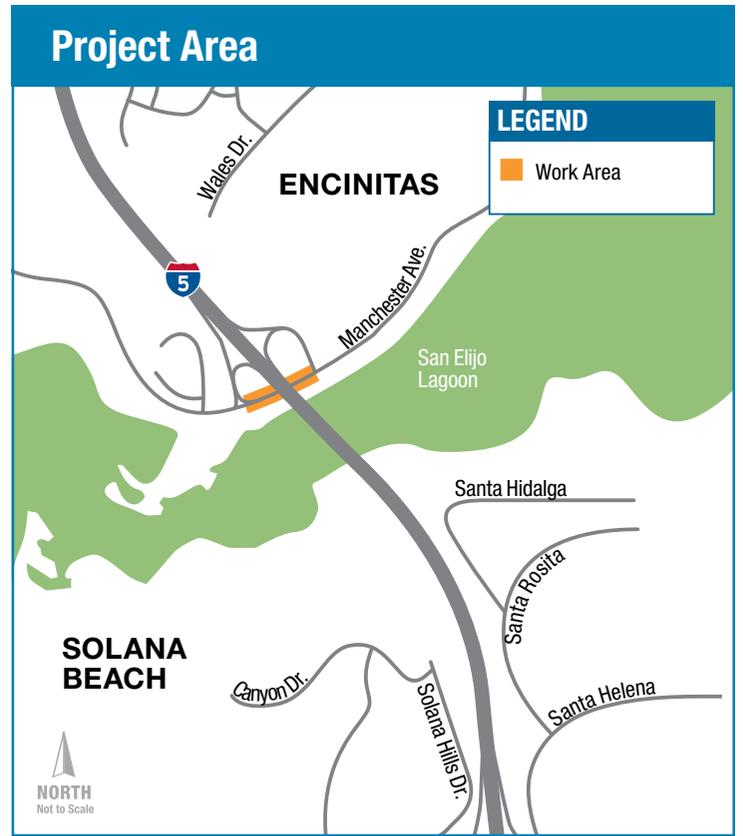

Crews will be conducting night work along Manchester Avenue near Interstate 5 (I-5) in the City of Encinitas Monday, February 6, through Thursday, February 9, from 9 p.m. – 5 a.m. During work hours, motorists can expect reduced lanes along Manchester Avenue. Construction team members will be present to direct traffic. The work is necessary to identify the location of important utilities within the work areas.

During construction, motorists are reminded to slow down. Traffic fines are doubled in a construction zone. Your patience during construction is appreciated.

Noise, lights, and other impacts to nearby residents will be kept to a minimum during construction. Thank you for your patience.

Access real-time traffic info through any of these resources: [511SD](#), [Caltrans QuickMap](#), [WAZE](#), or [Google Maps](#).

Please note: construction schedules are subject to change.

About Build NCC

Build NCC is the first phase of construction of the North Coast Corridor (NCC) Program in the cities of Solana Beach, Encinitas, and Carlsbad. Build NCC includes extending the existing carpool lane on I-5 in each direction from Lomas Santa Fe to State Route 78, double tracking the rail at the San Elijo Lagoon replacing the highway and rail bridges at the San Elijo and Batiquitos lagoons, restoring the San Elijo Lagoon, and construction nearly 10 miles of new bike and pedestrian trails. Construction on Build NCC began in early 2017 and will be complete by 2021.
