

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Construction schedules are subject to change.

## **Construction activities for the week of December 26**

### **Heritage Road to Olympic Parkway**

- Intersection closures 24 hours a day at Vista Sonrisa and Santa Cora avenues along East Palomar Street from Tuesday, December 27, until Friday, December 30 for construction of the transit guideway
  - Detours will be in place directing motorists to make a U-turn on Santa Rosa Drive or La Media Road
- Periodic lane and sidewalk closures along eastbound East Palomar Street between Vista Sonrisa Avenue and Santa Rosa Drive to accommodate construction of a storm water detention vault
- Tree removal along median of East Palomar Street between Santa Flora Road and Monarche Drive/Santa Andrea Street

### **Olympic Parkway to Birch Road**

- Lane closures along northbound and southbound State Route 125 (SR 125)/South Bay Expressway for temporary concrete barrier installation
- Guideway bridge foundation work in the median of SR 125
- Sound blanket installation between Magdalena Avenue and SR 125
