

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules may be adjusted due to weather.

## **Construction activities for the week of January 9**

### **Heritage Road to Olympic Parkway**

- Motorists should expect lane closures in all directions between 8:30 a.m. and 3:30 p.m. at the intersection of La Media Road and East Palomar Street from Monday, January 9, until Friday, January 13, for installation of utility lines
  - At least one through-lane will remain open at all times
  - Some night work may be required
- Motorists should expect lane closures in both directions along East Palomar Street between Santa Flora Road and Santa Andrea Street for construction of the dedicated transit guideway.

### **Magdalena Avenue to SR 125**

- Sound blanket installation
- Guideway bridge foundation work in the median and along the northbound shoulder of SR 125

### **Town Center Drive to Birch Road**

- Tree removal in the landscape median between SR 125 and Birch Road
- Inspection of existing irrigation and utilities
