

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules may be adjusted due to weather.

Construction activities for the week of January 23

Heritage Road to Olympic Parkway

- Lane closures in all directions between 9 p.m. and 6 a.m. at the intersection of La Media Road and East Palomar Street on Wednesday, January 23, for installation of utility lines
- Lane closures in both directions along East Palomar Street between Santa Delphina Avenue and Santa Andrea Street for construction of the dedicated transit guideway
- Sidewalk closures along East Palomar Street between Santa Cora and Vista Sonrisa avenues for construction of loading and unloading zones
- Lane closures in both directions and reduced on-street parking along East Palomar Street between Santa Andrea Street and Santa Rita for construction of two new bus stops
- At least one lane will remain open at all times

Magdalena Avenue to SR 125

- Drilling foundations for sound blanket installation
 - Monet permit users are encouraged to utilize designated temporary parking lot
- Guideway bridge foundation work in the median and along the northbound shoulder of SR 125

Town Center Drive to Birch Road

- Tree removal in the landscape median between SR 125 and Birch Road
