

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

Construction activities for the week of May 1

Heritage Road to Olympic Parkway

- Periodic lane closures in both directions and reduced on-street parking along East Palomar Street between Olympic Parkway and Heritage Road for transit guideway construction
- Periodic noise and dust possible along East Palomar Street between Santa Andrea Street and Santa Rita for construction of the Heritage *Rapid* Station
- Sidewalk closure continues along the south side of East Palomar Street between Santa Flora Road and Santa Alicia Avenue for installation of stormwater basin
- Left-turns prohibited at the intersection of East Palomar Street and Santa Rita from 8:30 a.m. to 4 p.m. on Wednesday, May 3, and Thursday, May 4, for utility line installation
 - Motorists can proceed to Santa Andrea Street or Heritage Road to make a U-turn
- At least one lane will remain open in each direction at all times

Magdalena Avenue to State Route 125 (SR 125)

- Periodic construction noise and dust possible near Impressionist Drive as crews continue installation of falsework, or temporary bridge supports
- Periodic lane closures along northbound and southbound SR 125 between Olympic Parkway and Birch Road to accommodate falsework installation

Town Center Drive to Birch Road

- Periodic noise and dust near the Otay Ranch Town Center for excavation and removal of dirt for the transit guideway
