

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

## **Construction activities for the week of May 22**

### **Heritage Road to Olympic Parkway**

- Periodic lane closures and reduced on-street parking in both directions along East Palomar Street between Santa Flora Road and Heritage Road for transit guideway construction
- Periodic noise and dust possible along East Palomar Street between Santa Andrea Street and Heritage Road as crews continue installation of utilities for the Heritage *Rapid* Station
- Periodic noise and sidewalk closure along the south side of East Palomar Street between Santa Delphina Avenue and Santa Flora Road as crews continue installation of a stormwater detention basin
- At least one lane will remain open in each direction at all times

### **Magdalena Avenue to State Route 125 (SR 125)**

- Periodic construction noise and dust possible near Impressionist Drive as crews continue installation of falsework, or temporary bridge construction supports
- Alternating northbound/southbound closure of SR 125 between Birch Road and Olympic Parkway on Thursday, May 25, from 9 p.m. to 5 a.m. to accommodate modification of falsework

### **Town Center Drive to Birch Road**

- Periodic noise and dust near the Otay Ranch Town Center as crews continue excavation activities and installation of utilities for this portion of the dedicated transit guideway
- At least one lane will remain open in each direction at all times
