

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

Construction activities for the week of September 4

Heritage Road to Olympic Parkway – City of Chula Vista

- Periodic noise, dust, lane closures, and reduced on-street parking in both directions along East Palomar Street between Santa Flora and Heritage roads as crews install irrigation and landscaping
- Periodic lane closures along East Palomar Street between Santa Flora Road and Santa Rita from 9/5 to 9/7, between 7 a.m. and 5 p.m., for traffic signal upgrades
 - Motorists can expect delays along East Palomar Street during work hours

Olympic Parkway to State Route 125 (SR 125) – City of Chula Vista

- Periodic noise, dust, and lane closures along East Palomar Street between Olympic Parkway and Magdalena Avenue for utility upgrades
- Periodic noise and dust along Impressionist Drive and lane closures along northbound and southbound SR 125 between Olympic Parkway and Birch Road for construction of the transit guideway bridge

Town Center Drive to Birch Road – City of Chula Vista

- Periodic noise and dust along Eastlake Parkway between North Driveway and Kestrel Falls Road as crews continue installation of stormwater drainage tanks, which are part of the project’s water-efficient landscaping and stormwater management features
- Periodic lane closures of the Otay Ranch Town Center entry/exit points at North Driveway and Town Center Drive from 9/5 to 9/8, between 7 a.m. and 5 p.m., for utility upgrades and transit guideway construction
 - At least one lane will remain open in each direction at all times
- Periodic lane closures at the intersection of Birch Road and Eastlake Parkway for installation of utilities

Nicola Tesla Court – City of San Diego

- Periodic noise, dust, and reduced on-street parking at Nicola Tesla Court near the Otay Mesa Port of Entry for opening of the new pedestrian pathway, and construction of storm drain facilities and a retaining wall
 - Signage will be in place to direct pedestrians and those biking to the new pathway
 - No on-street parking on south side of Nicola Tesla Court
