

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

Construction activities for the week of September 11

Heritage Road to Olympic Parkway – City of Chula Vista

- Periodic noise, dust, lane closures, and reduced on-street parking in both directions along East Palomar Street between Santa Alicia Avenue and Heritage Road as crews continue to plant new vegetation and install irrigation

Olympic Parkway to State Route 125 (SR 125) – City of Chula Vista

- Periodic noise, dust, and lane closures along East Palomar Street between Olympic Parkway and Magdalena Avenue as crews continue installation of utilities
- Periodic noise and dust along Impressionist Drive and lane closures along northbound and southbound SR 125 between Olympic Parkway and Birch Road for construction of the transit guideway bridge deck

Town Center Drive to Birch Road – City of Chula Vista

- Periodic noise, dust, lane and sidewalk closures near the Otay Ranch Town Center at the North Driveway and Kestrel Falls Road intersections as crews perform crosswalk and ramp improvements

Nicola Tesla Court – City of San Diego

- Periodic noise, dust, and reduced on-street parking at Nicola Tesla Court near the Otay Mesa Port of Entry to accommodate the opening of the new pedestrian pathway, construction of storm drain facilities and a retaining wall, and export of soil
 - Signage will be in place to direct pedestrians and those biking to the new pathway
 - No on-street parking on south side of Nicola Tesla Court
