

## Planned Construction Activities

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

### **Construction activities for the week of September 18**

#### **Heritage Road to Olympic Parkway – City of Chula Vista**

- Periodic noise, dust, lane closures, and reduced on-street parking in both directions along East Palomar Street between Santa Alicia Avenue and Heritage Road as crews continue to plant vegetation and install irrigation lines

#### **Olympic Parkway to State Route 125 (SR 125) – City of Chula Vista**

- Periodic noise and dust along Impressionist Drive and lane closures along northbound and southbound SR 125 between Olympic Parkway and Birch Road for construction of the guideway bridge
- Periodic lane closures along East Palomar Street between Olympic Parkway and Magdalena Avenue for utility improvements

#### **Town Center Drive to Birch Road – City of Chula Vista**

- Periodic noise, dust, lane and sidewalk closures near the Otay Ranch Town Center at the North Driveway and Kestrel Falls Road intersections as crews continue crosswalk and ramp improvements
- Periodic sidewalk and lane closures along Eastlake Parkway at the Birch Road intersection for sidewalk and drainage enhancements

#### **Millenia– City of Chula Vista**

- Periodic noise and dust near the Millenia development for construction of the dedicated transit guideway and Millenia *Rapid* Station

#### **Nicola Tesla Court – City of San Diego**

- Periodic noise, dust, and reduced on-street parking at Nicola Tesla Court near the Otay Mesa Port of Entry to accommodate grading, construction of storm drain facilities, and a retaining wall
  - No on-street parking on south side of Nicola Tesla Court
