

Planned Construction Activities

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

Construction activities for the week of October 9

Heritage Road to Olympic Parkway – City of Chula Vista

- Periodic noise, dust, lane closures, and reduced on-street parking in both directions along East Palomar Street between Santa Alicia Avenue and Heritage Road for landscaping improvements

Olympic Parkway to State Route 125 (SR 125) – City of Chula Vista

- Periodic noise and dust along Impressionist Drive for construction of the guideway bridge
- Overnight closures along northbound and southbound SR 125 between Olympic Parkway and Birch Road between 9 p.m. and 5 a.m. for construction of the guideway bridge
 - October 10: full closure of northbound and southbound SR 125
 - October 11: full closure of northbound SR 125; lane closures on southbound SR 125
 - October 12: intermittent closures of northbound and southbound SR 125
- Periodic lane closures along East Palomar Street between Olympic Parkway and Magdalena Avenue for utility improvements

Town Center Drive to Birch Road – City of Chula Vista

- Periodic noise, dust, lane and sidewalk closures near the Otay Ranch Town Center at the North Driveway, Eastlake Parkway, Kestrel Falls Road and Birch Road as crews continue crosswalk and traffic signal improvements

Millenia– City of Chula Vista

- Periodic noise and dust near the Millenia development for construction of the dedicated transit guideway and Millenia *Rapid* Station

Nicola Tesla Court – City of San Diego

- Periodic noise, dust, and reduced on-street parking at Nicola Tesla Court near the Otay Mesa Port of Entry to accommodate grading and construction of storm drain facilities and retaining wall
 - No on-street parking on south side of Nicola Tesla Court
