Construction Notice

Sandblasting Planned Aug. 28 to Sept. 1 along Impressionist Drive

Residents along Impressionist Drive can expect intermittent noise and dust beginning Monday, August 28, through Friday, September 1, from 7 a.m. to 5 p.m., as crews sandblast the transit guideway bridge deck. The work will be occurring between Claude Lane and Canvas Drive on the north side of the guideway bridge and between 1935 Caminito De La Cruz and 2017 Caminito De La Cruz on the south side.

All reasonable steps will be taken to minimize impacts to nearby residences. Crews will be enhancing dust control measures using water and screens to limit dust exposure as much as possible during the work. However, residents are encouraged to keep all windows and doors closed during work hours. We appreciate your patience during construction.
