

DESIGN CHALLENGES

- Nearby I-5 on ramps and one-way northbound section; Noell St is the expected route for people traveling southbound by bike
- Concerns over speeding traffic and people safely walking across San Diego Ave
- Community interest in traffic calming solutions
- Concern regarding W California St and Bandini St being used as by-pass route

EXISTING CONDITIONS

Looking northbound on San Diego Avenue

EXISTING CONDITIONS

Looking southbound on San Diego Avenue

DESIGN CONCEPTS

1: Median islands southeast of Noell St

2: All-way Stop with Bulbouts at Noell St

3: Mini-roundabout at Noell St
