

Uptown Regional Bike Corridor Project

Community Advisory Group Meeting

Existing Conditions

February 6, 2013

Welcome & Introductions

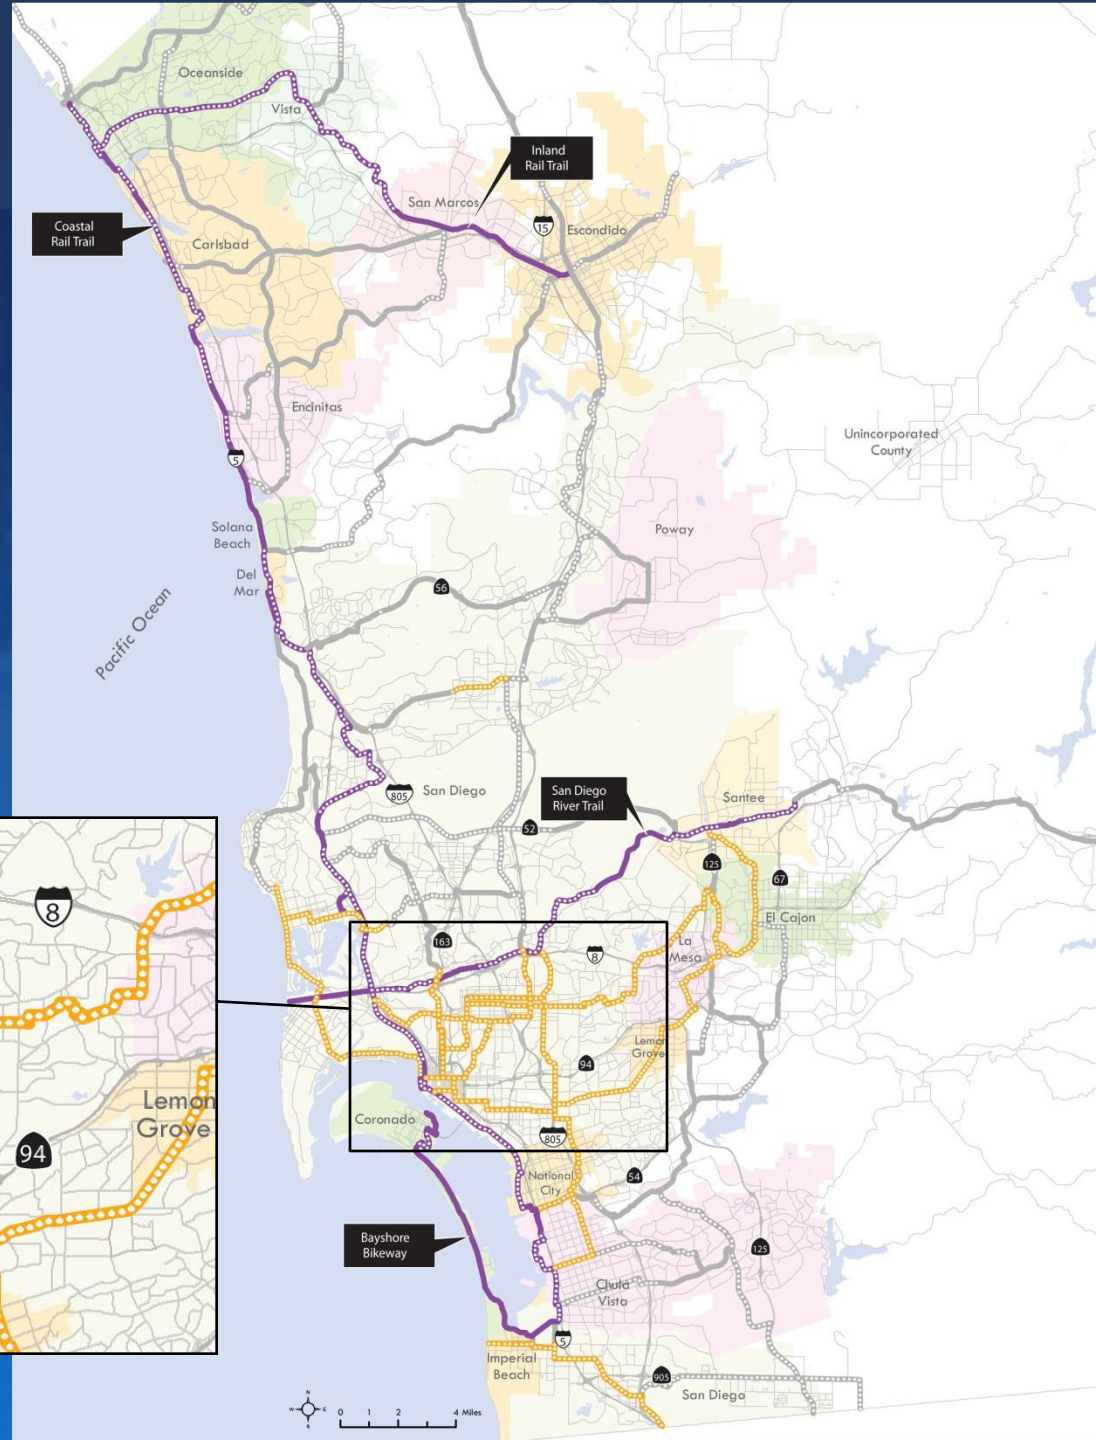

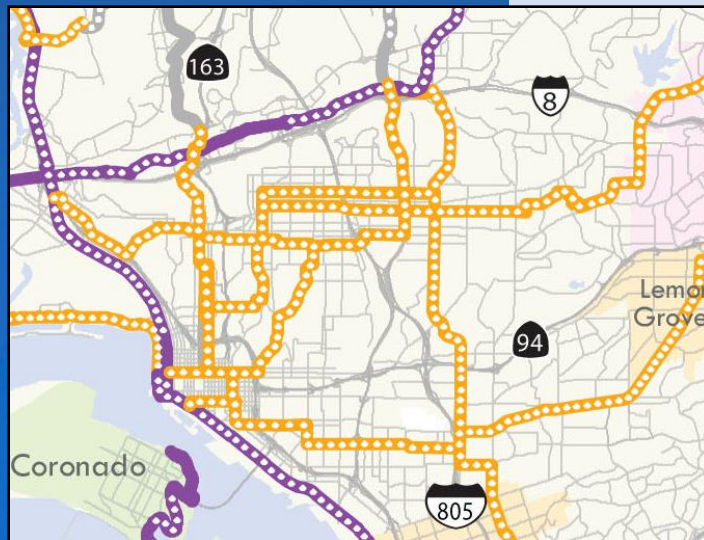

Meeting Agenda

- I. Welcome
- II. Project & Meeting #1 Review
- III. Existing Conditions Analysis
- IV. Breakout Groups - Routes that Provide Connectivity
- V. Group Reports & Discussion
- VI. Next Meeting – Route Analysis and Design Solutions

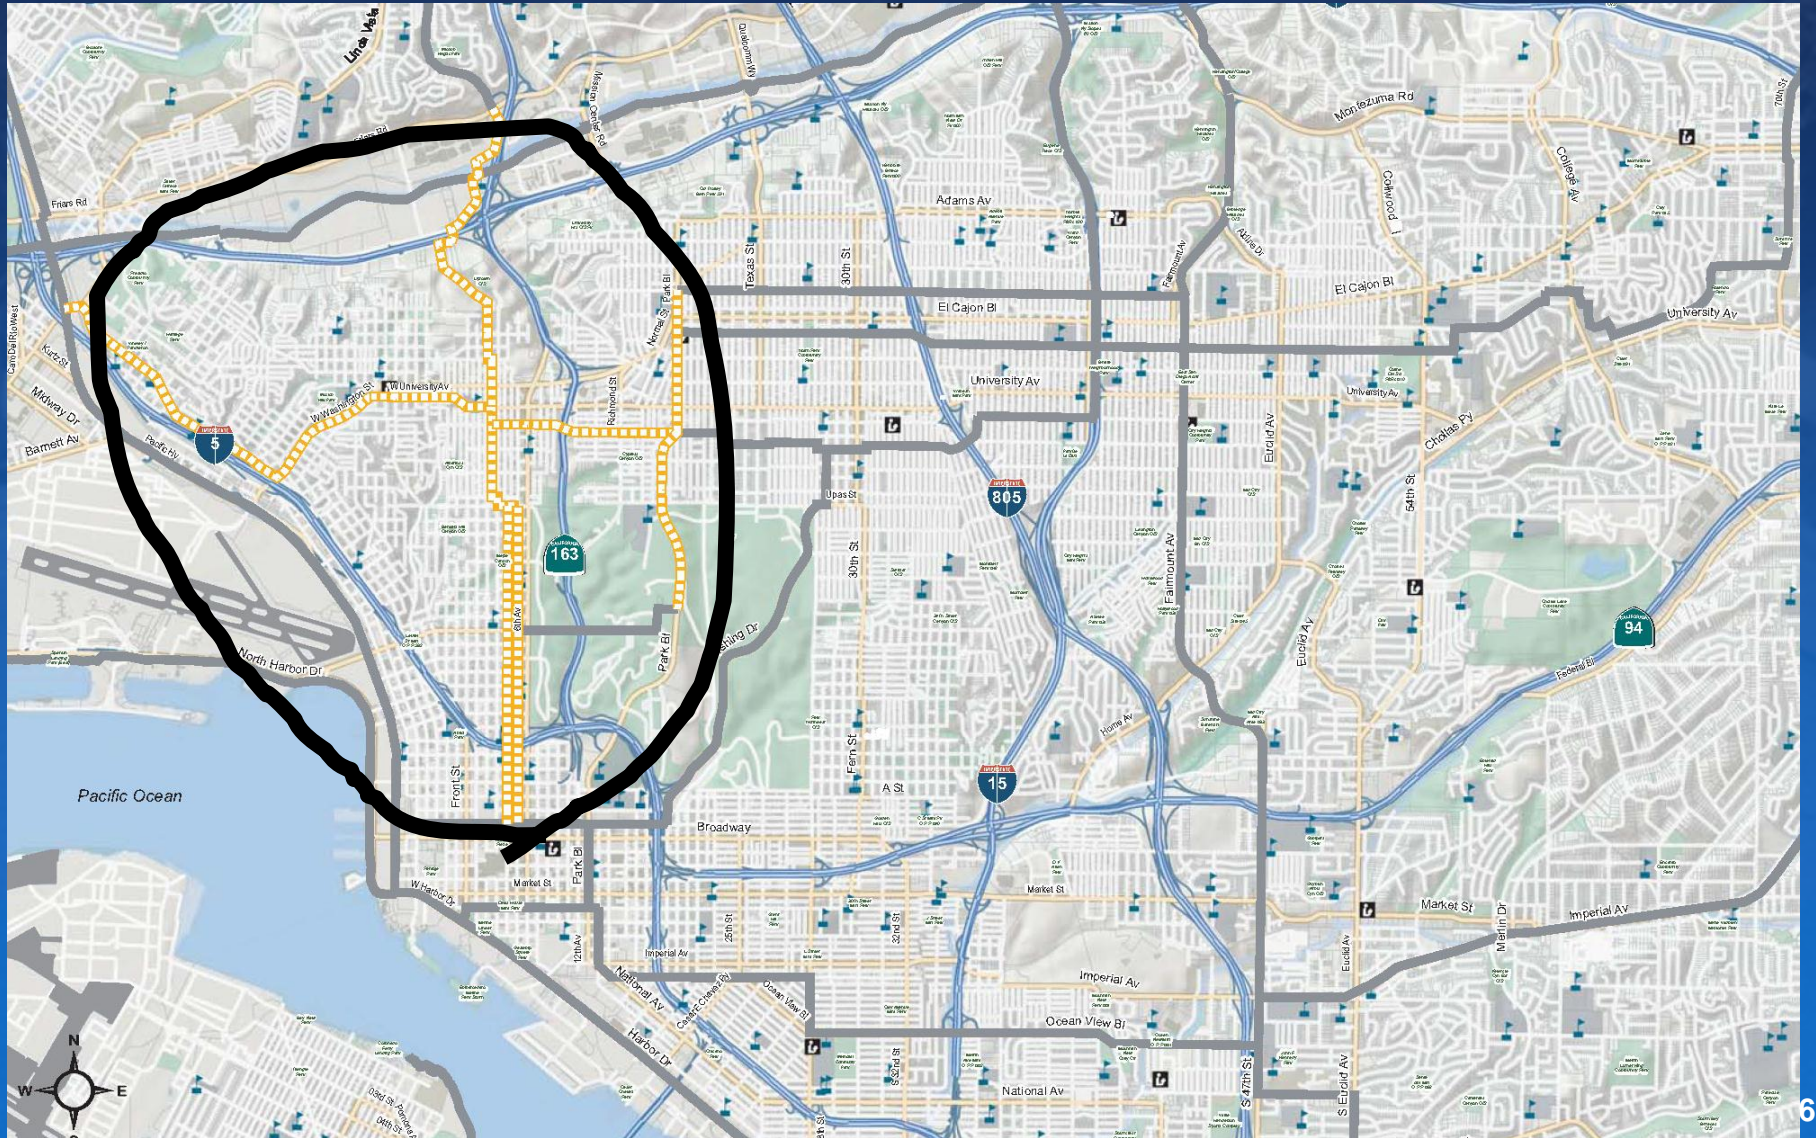

Project Update

Priority Urban Projects

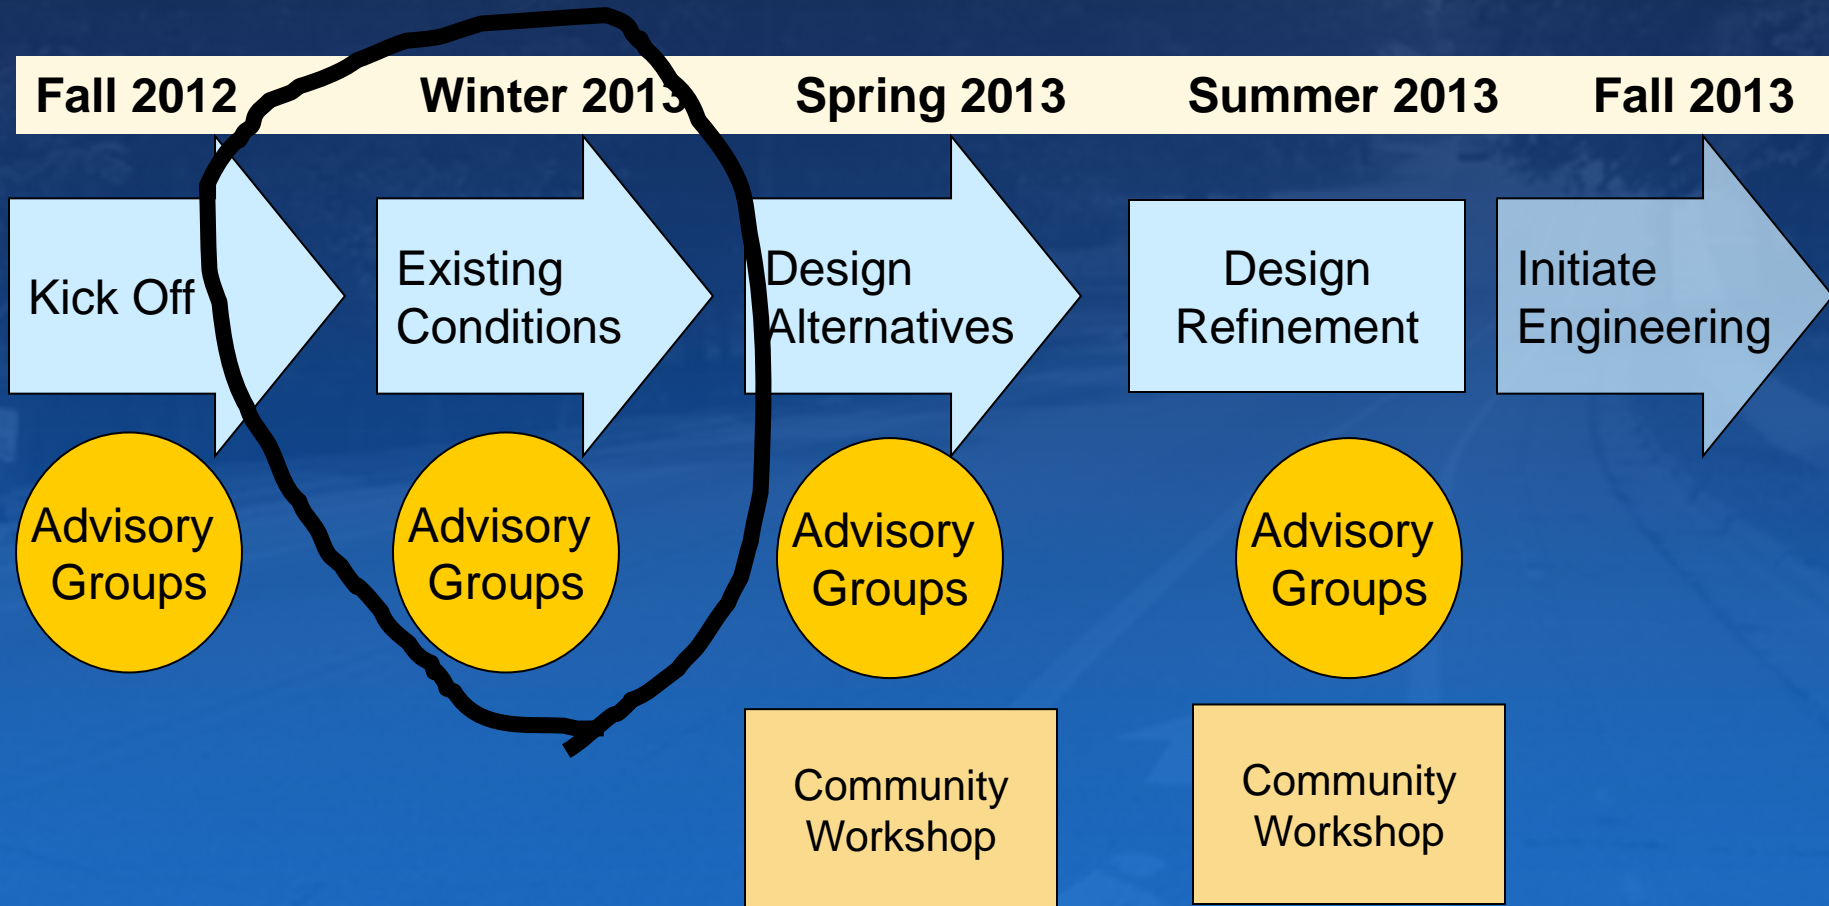

Initial Implementation

Projects in Design Phase

Collaborative Design Process

Meeting #1 Highlights

Vision • Project Goals • Opportunities

Themes: How can the project be a catalyst for bringing more people to the community and businesses.

Great Streets SD photo
Fern St

Themes: A desire to strengthen connections to destinations, and not reinforce existing barriers.

**Great Streets SD photo
Park Blvd & Polk**

Themes: How can we make streets a better experience regardless of your mode choice, but especially for people walking and biking while improving connections between destinations

**MIG photo
Fourth Ave**

8th Avenue / Robinson Avenue

Themes: The project should improve overall circulation patterns...

Questions

Small Group Discussion: *Neighborhood Routes & Connectivity*

Uptown Regional Bike Corridor Project

- Park
- Trolley Stop
- School

University Heights to Hillcrest to Balboa Park

Small Group Discussion

- Routes that connect neighborhoods
- Strengths of each route
- Challenges of each route
- Possible design solutions to address challenges

Group Reports & Discussion:
Emerging Routes, Potential Solutions

Next Steps

Route Analysis and Design Solutions
