

# CONSTRUCTION ADVISORY

## Trolley Station Construction & Detours

## San Ysidro Transit Center

### October 2015 - December 2015

Renovation work at the **San Ysidro Transit Center** will continue through **December 2015**. The station will remain open during construction, however portions of the platform will be closed. Passengers will be detoured around the construction area to access the Trolley.

### Station/Rider/Business Information

- Crews will be adding new pavers to the platforms.
- Work hours are 7 a.m. to 4 p.m., Monday to Friday. Some weekend work may occur.
- Local businesses and pedestrian walkways outside of the station will remain open and accessible.
- Noise and dust is anticipated during construction.
- The schedule may change with very little notice.
- Once complete, passengers will experience a safer, more efficient, and more comfortable boarding experience.

Please use **extra caution** when traveling near the construction site.

### The Trolley Renewal Project

The Trolley Renewal Project is a joint project of the San Diego Association of Governments (SANDAG) and the San Diego Metropolitan Transit System (MTS). Once complete, new low-floor Trolleys will operate throughout the system. All stations will be equipped with next-arrival signs, new shelters, and seating. The end result will be easier access, quicker trips, a more comfortable ride, and an enhanced transit experience. This work is part of a \$660 million project to renew the entire MTS Trolley network. Funding for the project was provided by *TransNet*, the regional half-cent sales tax for transportation administered by SANDAG; California Proposition 1A and 1B; and the American Recovery and Reinvestment Act of 2009.
