

# OPEN HOUSE AND PUBLIC HEARING

## A NEW BIKEWAY SERVING YOUR COMMUNITY... TELL US WHAT YOU THINK!

You are invited to an open house and public hearing for the University Bikeway project. The proposed bikeway will provide a vital connection for residents to walk and bike between vibrant communities within San Diego's urban core – City Heights, Eastern San Diego – and La Mesa. At the meeting, you will have the opportunity to talk with project team members and provide feedback. The public hearing will be held from 6:45 to 8 p.m. and will be preceded by an open house showcasing project features and updates from 6 to 6:45 p.m.

### UNIVERSITY BIKEWAY

The proposed University Bikeway will run along University Avenue, between Estrella Avenue and 70<sup>th</sup> Street. The bikeway will also provide an important connection to the Howard – Orange Bikeway to the west and an entire network of high priority regional bikeways just beyond. Proposed features include separated bike lanes, buffered bike lanes, high visibility treatments, and protected intersections designed to make the streets more pleasant for everyone – people who walk, bike, work, and live there.

### PROVIDE YOUR FEEDBACK

The May 16 open house and public hearing marks an important step for the University Bikeway project. SANDAG, as the lead agency under the California Environmental Quality Act (CEQA), will hold a public hearing to hear comments on the proposed project. During the open house portion of the meeting, attendees will have the opportunity to talk with project team members and provide feedback. **Spanish translation and interpretation will be provided.** The SANDAG Transportation Committee is anticipated to consider whether the proposed project is exempt from CEQA at its June 15, 2018, meeting. Comments collected at the public hearing and open house and written responses to those comments will be provided to the Transportation Committee for its consideration before their June 15, 2018, meeting.
