

OPEN HOUSE AND PUBLIC HEARING

A NEW BIKEWAY SERVING YOUR COMMUNITY... TELL US WHAT YOU THINK!

You are invited to an open house and public hearing for the Orange Bikeway project. The proposed bikeway will provide new biking and walking connections between North Park and City Heights. At the meeting, you will have the opportunity to talk with project team members and provide feedback. The public hearing will be held from 6:45 to 8 p.m. and will be preceded by an open house showcasing project features and updates from 6 to 6:45 p.m.

ORANGE BIKEWAY

The Orange Bikeway will be more than 2 miles and is one of seven segments planned as part of the San Diego Association of Governments (SANDAG) 13-mile North Park | Mid-City Bikeways. These bikeways will make it safer and easier for people of all ages and abilities to bike to more places within and between the North Park and Mid-City communities.

PROVIDE YOUR FEEDBACK

The June 20 open house and public hearing marks an important step for the Orange Bikeway project. SANDAG, as the lead agency under the California Environmental Quality Act (CEQA), will hold a public hearing to hear comments on the proposed project. During the open house portion of the meeting, attendees will have the opportunity to talk with project team members and provide feedback. Spanish translation and interpretation will be provided. The SANDAG Transportation Committee is anticipated to consider whether the proposed project is exempt from CEQA at its July 19, 2019 meeting. Comments collected at the public hearing and open house and written responses to those comments will be provided to the Transportation Committee for consideration before its July 19, 2019 meeting.
