

# CONSTRUCTION NOTICE

## FOURTH AND FIFTH AVENUE BIKEWAYS

Palm Engineering Company will be performing night work on two upcoming nights on Washington Street between Fourth Avenue and Sixth Avenue:

### **Monday, November 15 (9 p.m.) through Tuesday, November 16 (5 a.m.)**

Crews will perform pavement resurfacing work (slurry seal) and remove current striping on Washington Street between Fourth Avenue and Sixth Avenue. Temporary flexible-reflective roadway marker tabs will be placed to designate lane lines until permanent striping is installed.

### **Sunday, November 21 (9 p.m.) through Monday, November 22 (5 a.m.)**

After the pavement has cured, crews will implement permanent striping on Washington Street between Fourth Avenue and Sixth Avenue.

Due to traffic conditions, this work will take place at night and into the early morning, from 9 p.m. to 5 a.m. on Monday. During construction, nearby residents can expect noise, lights, and intermittent lane closures of Washington Street between Fourth Avenue and Sixth Avenue.

We apologize for any inconvenience and appreciate your patience during construction.

All noise complaints should be directed to Joe Abueg of Palm Engineering Company at (619) 517-4250. The City of San Diego's Neighborhood Code Enforcement Division's complaint line is (619) 236-5500.

**Construction schedules are subject to change.**
