CENTRAL AVENUE BIKEWAY

The Central Avenue Bikeway will provide a safe connection to many destinations within the San Diego communities of City Heights, Kensington, and to adjacent neighborhoods. Starting at the north end, the 1.2 mile bikeway will begin in Kensington where the SR 15 Commuter Bikeway ends at Adams Avenue and continue south, parallel to SR 15, along Terrace Drive and Central Avenue to Landis Street in City Heights.

PROVIDE YOUR FEEDBACK

The February 26 open house and public hearing marks an important step for the Central Avenue Bikeway project. SANDAG, as the lead agency under the California Environmental Quality Act (CEQA), will hold a public hearing to hear comments on the proposed project. During the open house portion of the meeting, attendees will have the opportunity to talk with project team members and provide feedback. Spanish and Vietnamese translation and interpretation will be provided. The SANDAG Transportation Committee is anticipated to consider whether the proposed project is exempt from CEQA at its April 20, 2018 meeting. Comments collected at the public hearing and open house and written responses to those comments will be provided to the Transportation Committee for its consideration before their April 20, 2018 meeting.
