OPEN HOUSE AND PUBLIC HEARING

ABOUT THE MEETING

The open house and public hearing marks an important step for the Park Boulevard Bikeway project. SANDAG, as the lead agency under the California Environmental Quality Act (CEQA), will hold a public hearing to hear comments on the proposed project. The SANDAG Transportation Committee is anticipated to consider whether the proposed project is exempt from CEQA at its February 1, 2019, meeting. Comments collected at the public hearing and open house and written responses to those comments will be provided to the Transportation Committee for its consideration before the February 1, 2019, meeting.

In compliance with the Americans with Disabilities Act (ADA), this document is available in alternate formats by contacting the SANDAG ADA Coordinator, the Director of Administration, at (619) 699-1900 or (619) 699-1904 (TTY).
