FOR IMMEDIATE RELEASE

I-15 Express Lanes Barrier Move and Lane Closures Saturday Morning

SAN DIEGO — Caltrans maintenance crews will be working to repair electrical wiring in Interstate 15 (I-15) Express Lanes pavement Saturday morning and will move the median barrier and close lanes beginning at 2:30 a.m. The work will require some segments of the Express Lanes to be closed to one lane in either the northbound or southbound direction.

Once the work is completed and the pavement has cured, the barrier will be moved to the normal weekend configuration with two Express Lanes open in each direction. This barrier move is expected to begin at about 9 a.m. and should be completed by 11 a.m.

More information about the I-15 Express Lanes including who can use the Express Lanes and frequently asked questions is available online at <http://www.dot.ca.gov/d11/15express/>.

Follow @SDCaltrans on Twitter at www.twitter.com/SDCaltrans and like Caltrans District 11 on Facebook at www.facebook.com/CaltransDistrict11 to receive timely information about planned construction closures, major traffic incidents, and more about state highways in San Diego and Imperial counties.

Be Work Zone Alert and remember to Move Over a lane when safe to do so and slow for highway workers.
