FOR IMMEDIATE RELEASE

Northbound SR-15 in Mid-City Closed Tuesday Night

SAN DIEGO – Crews will close northbound State Route 15 (SR-15) from Interstate 805 (I-805) to Interstate 8 (I-8) on Tuesday from 7 p.m. until 5 a.m., according to Caltrans. The closures are needed to perform concrete paving work as part of the SR-15 Mid-City Centerline *Rapid* Transit Stations Project.

The connector ramps from northbound I-805 to northbound SR-15 and northbound SR-15 to I-8/Camino Del Rio South will also be closed. Additionally, the northbound SR-15 on-ramps at University Avenue, El Cajon Boulevard, and Adams Avenue will be closed.

Detour signs will be posted directing motorists traveling north on SR-15 to take northbound I-805, to northbound State Route 163, and then to northbound I-15.

Access from I-805 to Adams Avenue, El Cajon Boulevard and University Avenue will be maintained.

Intermittent lights, noise and dust can be expected during construction. Construction schedules are subject to change due to weather conditions.

The \$65 million SR-15 Mid-City Centerline *Rapid* Transit Stations Project will build San Diego's first freeway-level *Rapid* transit stations along SR-15 at El Cajon Boulevard and University Avenue.

NEWS RELEASE

2-2-2-2

New 2.5-mile transit-only lanes will be constructed within the existing SR-15 median from just north of Interstate 805 to just south of Interstate 8. The project is expected to be completed in 2017.

Project information is available at <http://www.keepsandiegomoving.com> or by calling the Project Hotline at (888) 732-9373. Follow <https://twitter.com/SDCaltrans> and visit <https://www.facebook.com/CaltransDistrict11> to keep current on transportation information in San Diego and Imperial counties.

Motorists are reminded to Be Work Zone Alert and to Move Over a lane when safe to do so, or slow when highway workers are present with amber lights flashing.
