DEVELOPMENT CORPORATION

Dear Community Member,

It's finally here. After 35+ years of advocacy, the **Centerline is now open!**

The Centerline Bus Rapid Transit Stations for the Rapid 235 opened this past Sunday, March 11.

When I walked down the stairs it felt awesome to see the Centerline. Then to actually see the bus arrive was such an exciting experience. I've ridden it four times since it opened. To hear people in the community speak about **the Centerline makes me feel proud.**

Thank you to everyone who joined us on Saturday, February 24 to celebrate the Centerline. It was an incredible day. We had **600+ people celebrating** with us! Thanks to the community, SANDAG, Caltrans, MTS, City Heights Business Association, the El Cajon Boulevard Improvement Association, and all the elected officials who joined us.

At the opening celebration we unveiled plaques that are permanently installed at the City Heights Transit Plaza and the El Cajon Blvd Transit Plaza. These plaques are symbols of the hard work and **dedication of the community**.

To see more pictures from the celebration, visit our [Centerline webpage](#).

City Heights CDC and Media Arts Center produced a mini-documentary called "**From Visions to Victory: City Heights and the SR-15 freeway**" about our 35+ year campaign. If you missed the screening of the film at the celebration, you'll have another opportunity to view it at a screening, fundraiser, and open mic that will happen on the evening of Wednesday, May 9 in City Heights. Save the date! Details coming soon.

Enjoy,

Maria Cortez
