

## Construction Advisory #3 I-15 Express Lanes Weekend Closure

From 8 p.m. on Friday, June 28, through 5 a.m. on Monday, July 1, construction activity in the median of I-15 will require a southbound closure of the Express Lanes from Mercy Road/Scripps Poway Parkway to Miramar Way and a northbound closure of the Express Lanes from Miramar Road/Pomerado Road to Mira Mesa Boulevard.

During this time, a temporary wood and steel structure will be erected over the Express Lanes as crews continue to construct the Mira Mesa Direct Access Ramp (DAR). Signs will be posted on the freeway to direct Express Lanes motorists where to exit and re-enter the lanes.

The Mira Mesa DAR along with the new Miramar College Transit Station, which is also under construction, will link to the I-15 Express Lanes via Hillery Drive. This will be the fifth DAR constructed along the I-15 Corridor and will support future Rapid Transit service beginning in summer of 2014. Construction of the DAR and transit station is scheduled to be complete next year.
