

## Construction Advisory #21: Mira Mesa Direct Access Ramp Closure

Please be advised that a closure is planned for one night on Thursday, Dec. 11 beginning at 11 p.m. through 5 a.m. on Friday, Dec. 12.

Both the northbound and southbound off-ramps for the Mira Mesa Direct Access Ramp (DAR) will be closed. The closure will begin after daily bus service hours, allowing regular bus service to operate.

This closure is subject to change due to weather conditions.

During this closure, crews will work on improvements to “rumble strips” which create vibration and noise to alert drivers when they are straying from the lane. This improvement enhances the safe use of the Mira Mesa DAR. It is the fifth DAR constructed on the I-15 Corridor. Along with the recently opened Miramar College Transit Station, it connects Hillery Drive to the I-15 Express Lanes to provide more travel choices and transit services for the region.

We appreciate your ongoing patience while we continually make these improvements to provide you with reliable travel choices.
