

Temporary Lane Closures and Detours Scheduled at Telegraph Canyon Road this Weekend

Commuters and residents can expect temporary lane closures and detours around Telegraph Canyon Road and Interstate 805 (I-805) on Saturday, August 11 and Sunday, August 12 from 8 a.m. to 8 p.m. both days to accommodate work to widen the freeway bridge.

THE TEMPORARY DETOURS ARE AS FOLLOWS:

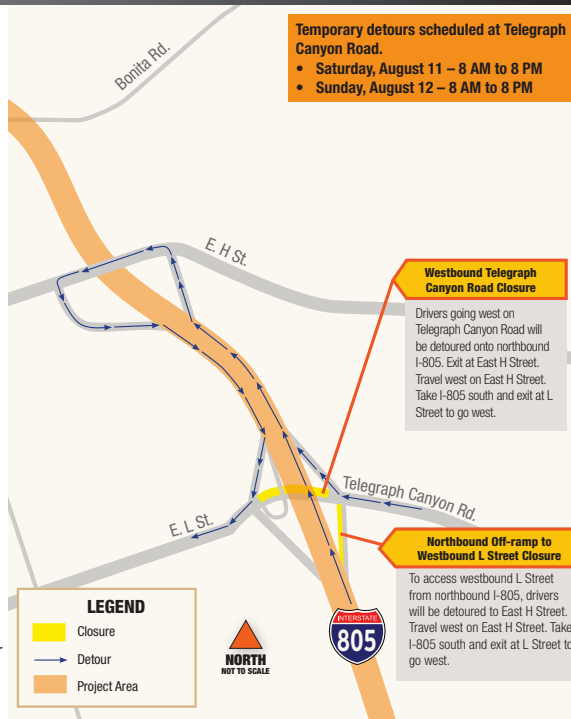

Westbound Telegraph Canyon Road Closure: Drivers traveling west on Telegraph Canyon will be detoured onto northbound I-805. Drivers will then exit at East H Street and travel west, take the I-805 south and exit at L Street and continue west.

Northbound Off-ramp to Westbound L Street Closure: Drivers who wish to access westbound L Street from northbound I-805 will be detoured to East H Street. Drivers will then travel west on East H Street and enter I-805 south, then exit at L Street and continue west.

Bridge improvements are part of the first phase of the I-805 South Project, a \$1.4 billion effort to create a modern new transportation backbone for the South County. Construction on the first phase of the project began in June. Work includes building one carpool lane in each direction along an eight-mile segment of the freeway stretching from East Palomar Street in Chula Vista to State Route 94 (SR 94) in San Diego. The carpool lanes are scheduled to open in fall 2013.

Construction crews will work to minimize impacts to nearby businesses, residents and commuters. We appreciate your patience during construction.
