

# I-805 NORTH EXPRESS LANES PROJECT

## STAGE 1 • Construction Advisory

### Overnight Closures of Northbound Interstate 805 between State Route 52 and Mira Mesa Boulevard, March 11-13

Construction crews will close all lanes on northbound Interstate 805 (I-805) from State Route 52 (SR 52) to Mira Mesa Boulevard, March 11-13 from 9:30 p.m. until 5 a.m. The closure is required to safely remove two overhead sign structures.

Motorists traveling north on I-805 will be able to exit at Governor Drive and Nobel Drive; however, all through traffic will be directed to westbound SR 52, then northbound I-5 to northbound I-805.

#### Northbound I-805 Lanes Closure

Local traffic on La Jolla Village Drive, Nobel Drive and Governor Drive may take southbound I-805, then westbound SR 52, then northbound I-5 to northbound I-805.

Electronic message signs are in place along northbound I-805 advising of the upcoming closure. Detour signs will be placed to assist motorists around the closure.

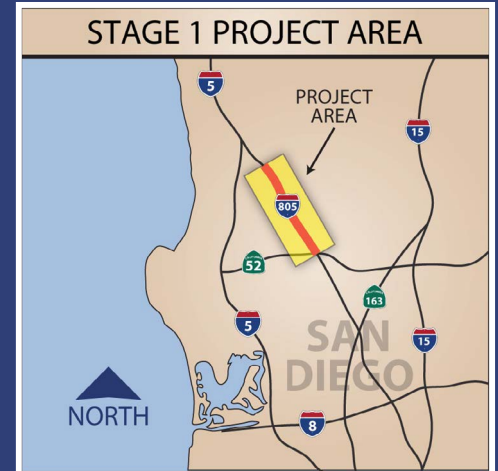

The work is part of Stage 1 of I-805 North Express Lanes Project. The project will construct one carpool lane in each direction in the median of I-805 from just north of SR 52 to just north of Mira Mesa Boulevard. The project will

also construct a Direct Access Ramp to and from southbound I-805 at Carroll Canyon Road. Additional improvements include bridge widening and ramp and noise barrier modifications. This stage is estimated to cost approximately \$86 million.

(877) 821- 4280

### Project Map

### SAFETY Our Top Priority

Caltrans' top priority is safety. Every precaution will be taken to ensure the protection of motorists and workers. Motorists are urged to slow down during construction. Not only is it required by law, but it helps save lives.
