

Overnight Closures on Northbound I-805 Between SR 52 and Mira Mesa Boulevard

Construction crews will close all lanes on northbound Interstate 805 (I-805) from State Route 52 (SR 52) to Mira Mesa Boulevard beginning Monday, May 4, through Friday, May 8, nightly from 9:30 until 5 in the morning. The closures are necessary to place concrete for the Carroll Canyon Direct Access Ramp Bridge and set form work for the widening of the northbound I-805 bridge over Carroll Canyon.

Motorists traveling north on I-805 will be redirected to westbound SR 52 and then to northbound Interstate 5 (I-5). Local traffic will be allowed to exit at Governor Drive and Nobel Drive. Motorists traveling on La Jolla Village Drive/Miramar Road, Nobel Drive, and Governor Drive may take southbound I-805 to westbound SR 52 to northbound I-5. Detour signs will be placed to assist motorists around the closure.

Stage 1 of the I-805 North Express Lanes Project is constructing one carpool lane in each direction in the median of I-805 from just north of SR 52 to just north of Mira Mesa Boulevard. The project also includes construction of a Direct Access Ramp to and from southbound I-805 at Carroll Canyon Road. Additional improvements include bridge widening and ramp modifications. This stage is estimated to cost approximately \$86 million.
