

I-805 Overnight Closures Wednesday, Aug. 12, and Thursday, Aug. 13

Tonight, August 12, crews will close all southbound lanes and three of the four northbound lanes on Interstate 805 (I-805) between the Interstate 5 (I-5)/I-805 merge to La Jolla Village Drive from 9:30 until 5 in the morning.

Tomorrow night, August 13, crews will again close all southbound lanes on I-805 between the I-5/I-805 merge to La Jolla Village Drive from 9:30 until 5 in the morning.

The closures are necessary for rebar delivery for the widening of the northbound I-805 bridge over Carroll Canyon and the installation of falsework, a temporary support system used during bridge construction.

Motorists traveling south will be detoured to southbound I-5, then eastbound on State Route 52 to northbound or southbound I-805.

Stage 1 of the I-805 North Express Lanes Project is constructing one carpool lane in each direction in the median of I-805 from just north of SR 52 to just north of Mira Mesa Boulevard. The project also includes construction of a Direct Access Ramp to and from southbound I-805 at Carroll Canyon Road. Additional improvements include bridge widening and ramp modifications. This stage is estimated to cost approximately \$86 million.

SAFETY

Our Top Priority

Caltrans' top priority is safety.

Every precaution will be taken to ensure the protection of motorists and highway workers. Motorists are urged to slow down during construction. Be work zone alert!
