

Southbound I-805 Overnight Closures Between the I-5/I-805 Merge and La Jolla Village Drive

Construction crews will close all lanes on southbound Interstate 805 (I-805) from Interstate 5 (I-5)/I-805 merge to La Jolla Village Drive Monday – Thursday nights, July 20 – July 23, from 9:30 until 5 in the morning.

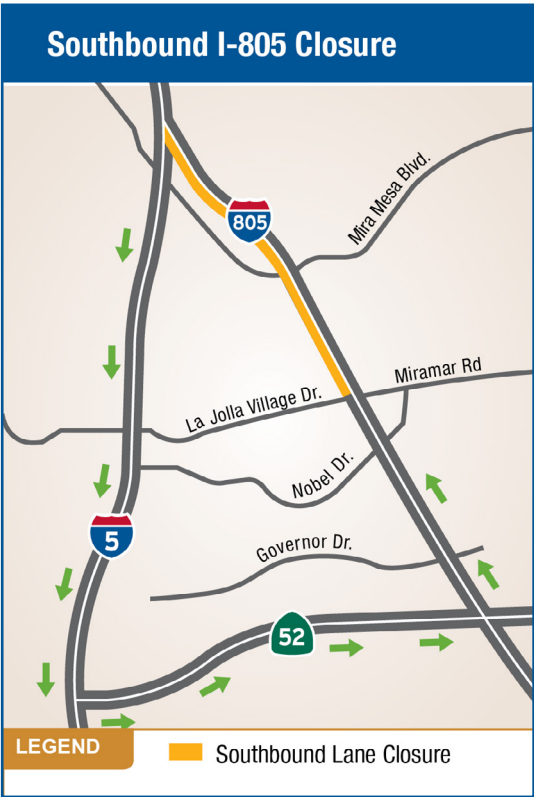

The closures will allow crews to continue placing falsework at Carroll Canyon, a temporary bridge support system used during bridge construction, as part of the I-805 Express Lanes Project.

Motorists will be detoured to southbound I-5, then eastbound on SR 52 to northbound or southbound I-805.

Stage 1 of the I-805 North Express Lanes Project is constructing one carpool lane in each direction in the median of I-805 from just north of SR 52 to just north of Mira Mesa Boulevard.

The project also includes construction of a Direct Access Ramp to and from southbound I-805 at Carroll Canyon Road. Additional improvements include bridge widening and ramp modifications.

The construction cost for Stage 1 is about \$86 million and is funded with state, federal and local sources, including Proposition 1B State and Local Partnership Program and [TransNet](#) Extension funds.
