## I-805 North Express Lanes Project Stage 1

April 2014

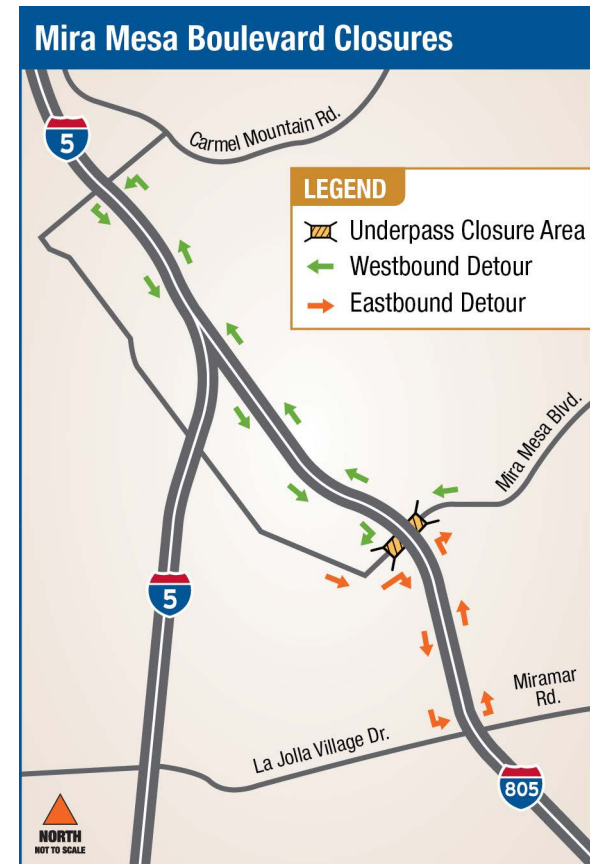

### Overnight Closures of Mira Mesa Boulevard at Interstate 805, April 24

Construction crews will close all lanes in both directions on Mira Mesa Boulevard at Interstate 805 (I-805) Thursday, April 24 from 9 p.m. until 5 a.m. The closure is required to restripe the traffic lanes to provide room to widen the I-805 bridge over Mira Mesa Boulevard.

Motorists traveling westbound on Mira Mesa Boulevard will be detoured to northbound I-805, then merged onto northbound Interstate 5 to Carmel Mountain Road. From Carmel Mountain Road, motorists will be directed to southbound I-805 to westbound Mira Mesa Boulevard. Motorists traveling eastbound on Mira Mesa Boulevard will be detoured to southbound I-805, then Miramar Road to northbound I-805 to eastbound Mira Mesa Boulevard. Electronic message signs are in place along Mira Mesa Boulevard and detour signs will be placed near the work area to assist motorists around the closure.

One of the westbound lanes on Mira Mesa Boulevard will be closed until the bridge construction is complete. Motorists are advised to expect delays and through traffic may consider using an alternate route such as Carroll Canyon Road.

The work is part of Stage 1 of the I-805 North Express Lanes Project. The project will construct one carpool lane in each direction in the median of I-805 from just north of SR 52 to just north of Mira Mesa Boulevard. The project will also construct a south-facing Direct Access Ramp to and from I-805 at Carroll Canyon Road. Estimated cost for this stage is \$86 million.
