

DEL MAR BLUFFS STABILIZATION PROJECT UPDATE

JUNE 2021

Upcoming Nighttime Bluff Stabilization Activities

On Wednesday, June 30, SANDAG construction crews will pour concrete to reinforce the toe of the bluffs on the beach south of 4th Street. The work is necessary to further reinforce the Del Mar Bluffs.

What You Can Expect:

- **Construction on the beach south of 4th Street will begin at approximately 8 p.m. on Wednesday, June 30, and continue through approximately 5 a.m. on Thursday, July 1.**
- Crews will excavate the area, pour concrete to reinforce the toe of the bluffs, and backfill the area.
- Residents may notice the presence of work crews, heavy construction equipment, noise, and Occupational Safety and Health Administration (OSHA) required vehicle back-up alarms.

This work is expected to create noise, however, crews are aware of residents in the area and will minimize impacts to the maximum extent possible. Please note, construction schedules are subject to change.
