RE: MOW ACCESS ROAD

Joe Mosca
Deputy Mayor

Dear Mr. Tucker,

Tasha Boerner Horvath
Council Member

The City of Encinitas staff has carefully reviewed the North County Transit District (NCTD) and San Diego Association of Government's (SANDAG) engineering plans for the construction of a permanent Maintenance of Way (MOW) access road to the new railroad bridge from San Elijo Avenue. As a result of this review, we have no objection to these plans.

It is the City's hope that, by making the temporary access ramp permanent, it will create future opportunities for a nature trail and viewing area on the edge of the San Elijo Lagoon on the east side of the bridge.

Tony Kranz
Council Member

Sincerely,

Catherine Blakespear
Mayor
