FOR IMMEDIATE RELEASE

Apparent Low Bidder Named for Final SR-76 East Project

SAN DIEGO – Caltrans is reviewing the bids submitted for the final phase of the State Route 76 East Project. Ames Construction from Corona has submitted the apparent low bid of \$75.2 million. Caltrans will announce the contract winner within the next six weeks.

The project will widen and realign SR-76 to a four-lane highway from just east of South Mission Road to the newly improved SR-76/Interstate 15 interchange that opened to traffic in August 2013.

Work may begin in early fall and take approximately two years to complete. For more information please log onto <http://www.keepsandiegomoving.com/SR-76-Corridor/SR76-intro-seg12.aspx> or call the Caltrans Public Information Office at (619) 688-6670.
