

Construction Advisory #16 I-15 Express Lanes Night Closures

Please be advised that for three consecutive nights, beginning Wednesday, October 15, the northbound and southbound Express Lanes between Mercy Road and Miramar Way will be closed from 8:00 p.m. to 5:00 a.m. as crews finish constructing the barriers under the new Mira Mesa Direct Access Ramp (DAR).

During these closures, there will be no access to and from the Mira Mesa DAR located at Hillery Drive in Mira Mesa. The I-15 main lanes will remain open and signs will be posted on the freeway in advance of each closure to notify motorists where to exit and re-enter the Express Lanes.

The new Mira Mesa DAR is the fifth DAR constructed on the I-15 Corridor. Along with the recently opened Miramar College Transit Station, it connects Hillery Drive to the I-15 Express Lanes to provide more travel choices and transit services for the region.
