

Construction Advisory #10 I-15 Express Lanes Weekend Closure

Please be advised that from 8 p.m. on Friday, Nov. 15 through 5 a.m. on Monday, Nov. 18, construction activity in the median of Interstate 15 (I-15) between Mira Mesa Boulevard and Carroll Canyon Road will require a closure of the northbound and southbound Express Lanes.

The I-15 main lanes will remain open and signs will be posted on the freeway in advance of the closure to notify motorists where to exit and re-enter the Express Lanes. This closure will allow crews to continue construction of the Mira Mesa Direct Access Ramp (DAR).

The Mira Mesa DAR will link the new Miramar College Transit Station, which is also under construction, to the I-15 Express Lanes via Hillery Drive. This will be the fifth DAR constructed along the I-15 Corridor and will support future Rapid Transit service anticipated to begin in summer of 2014. Construction of the DAR and transit station is scheduled to be complete next year.
