

SR 76 East Project Construction Advisory

Full Freeway Closure on I-15 at SR 76 Scheduled for February 4*

Crews will be performing work at SR 76 and I-15 interchange on Monday, February 4 between 11 p.m. to 5 a.m. Please note that you may experience delays and noise within this work area.

Night Closure and Detour

For your safety, the I-15 southbound and northbound lanes at SR 76 will be closed on February 4 from 11 p.m. to 5 a.m. Those traveling on I-15 will be detoured to exit at the off-ramp and re-enter at the on-ramp. Those traveling from I-15 to SR 76 or from SR 76 to I-15 can still access the off- and on-ramps. During this closure, crews will be pouring concrete on the south side of the bridge as part of widening and upgrading the SR 76/I-15 interchange.

The SR 76 East Segment is the final segment in a series of three improvement projects on the SR 76 corridor, located between I-15 and I-5. The East Segment's 5.2 miles stretch from South Mission Road to I-15 serves local and regional traffic.

* Schedule subject to change due to weather conditions.
