

SR 76 East Project Construction Advisory #20

Overnight Closures at the I-15/SR 76 Interchange and Old Highway 395 on June 2 from 9 p.m. to 5 a.m.

Off-Ramp Southbound I-15 to SR 76

The southbound off-ramp from I-15 to SR 76 will be closed on June 2 from 9 p.m. to 5 a.m. as crews continue to upgrade ramps at the I-15/SR 76 Interchange.

During the closure, those travelling southbound on I-15 who wish to access SR 76 will be directed to the Old Highway 395 exit. From that exit, motorists will then drive north along Old Highway 395 to SR 76.

Old Highway 395 North of SR 76

Additionally during this time, there will be a closure on Old Highway 395 just north of SR 76. Motorists on SR 76 who wish to head north onto Old Highway 395 will be re-directed to go on I-15, accessing Old Highway 395 via the Mission Road exit.

Motorists on Old Highway 395 who wish to access SR 76 must travel south on I-15 to the Old Highway 395 exit and then backtrack north along Old Highway 395 to SR 76.

Both I-15 and SR 76 will remain open during construction.

How to Stay Informed

Save yourself time and be prepared. Call or visit us online to learn about your travel options and plan your commute during construction.
