

San Dieguito Double Track and Special Events Platform

Join Us

Public Information Open House
Tuesday, November 18, 2014
5 – 7 p.m.

Santa Fe Christian School
838 Academy Dr.
Solana Beach, CA 92075

Please join the San Diego Association of Governments and the North County Transit District at an open house on the San Dieguito Double Track and Special Events Platform Project.

Project team members will discuss and answer questions about the project's Environmental Assessment (EA). The EA has been prepared in accordance with the National Environmental Policy Act (NEPA). The Federal Railroad Administration (FRA) is the project's lead agency under NEPA.

[View the Environmental Assessment](#)

The EA was prepared to analyze the current state of the surrounding environment, potential impacts, project alternatives, and applicable mitigation measures.

Accepting Public Comments

On October 31, 2014, SANDAG made available to the public the EA for the project that has been prepared in accordance with the NEPA and FRA environmental procedures. Any public comments on the EA must be received by SANDAG by December 1st.

The comments should be sent attention to:

Linda Culp, Principal Planner
SANDAG
401 B Street, Suite 800
San Diego, CA 92101
Linda.Culp@sandag.org

About the Project

Pending funding, the project would construct a one-mile stretch of second main track between Solana Beach and Del Mar, replace the nearly 100-year-old wooden trestle rail bridge over the San Dieguito River, and add a special events rail platform on the west side of the Del Mar Fairgrounds. The project is part of the North Coast Corridor Program, a comprehensive package of highway, rail and transit, and coastal access improvements, which spans 27 miles from Oceanside to La Jolla.

The new special events platform will be located on the west side of the fairgrounds.

For more information about the project, please visit: KeepSanDiegoMoving.com/SDDT.
