I-805 North Express Lanes Project

November 2014

CANCELLED: Full Closure of Northbound I-805 in Mira Mesa Scheduled for Tuesday Night

UPDATE: Motorists can expect intermittent lane and off-ramp closures overnight on November 4 and 5

The previously scheduled Tuesday night closure of northbound Interstate 805 (I-805) between Nobel Drive and Mira Mesa Boulevard is no longer needed and has been CANCELLED.

However, early morning ramp closures along northbound I-805 will be needed to relocate construction equipment. The northbound I-805 off-ramp at Mira Mesa Boulevard will be closed from 4 a.m. - 5 a.m. on Tuesday, November 4, and Wednesday, November 5. During the closures, motorists will be detoured to the Sorrento Valley Road exit.

Additional overnight work near Mira Mesa Boulevard will require northbound I-805 to be reduced to one lane on Wednesday, November 5, from 9 p.m. - 5 a.m.

The work is part of the Stage 1 of I-805 North Express Lanes Project. The project will construct one carpool lane in each direction in the median of I-805 from just north of SR 52 to just north of Mira Mesa Boulevard. The project will also construct a Direct Access Ramp to and from southbound I-805 at Carroll Canyon Road. Additional improvements include bridge widening and ramp modifications. This stage is estimated to cost approximately \$86 million.
