

# CONSTRUCTION ADVISORY

## I-805 North Express Lanes Project

September 2014

### Full Weekend Closure of the Southbound Interstate 805 off-ramp to Miramar Road/La Jolla Village Drive begins Friday, Sept. 5

Construction crews will close the off-ramp from southbound Interstate 805 (I-805) to Miramar Road/La Jolla Village Drive from Friday, Sept. 5 at 8 p.m. until Monday, Sept. 8 at 5 a.m. for paving operations.

Two detours will be available for motorists:

- Exit at Mira Mesa Boulevard and travel east, then turn south on Camino Santa Fe, then east or west on Miramar Road
- Exit at Governor Drive, turn left under the freeway and take northbound I-805 to Miramar Road/La Jolla Village Drive

Detour signs will be placed to assist motorists around the closure.

The work is part of Stage 1 of the I-805 North Express Lanes Project. The project will construct one carpool lane in each direction in the median of I-805 from just north of State Route 52 to just north of Mira Mesa Boulevard. The project will also construct a south-facing Direct Access Ramp (DAR) at Carroll Canyon Road, which will provide immediate access to and from the future carpool lanes on I-805 for carpoolers, vanpools, motorcycles, buses, and solo drivers in permitted clean air vehicles. DARs improve traffic circulation at interchanges by directly connecting surface streets to and from carpool lanes in freeway medians.

Additional Stage 1 improvements include bridge widening and ramp modifications. This stage is estimated to cost approximately \$86 million.

### SAFETY

#### Our Top Priority

Caltrans' top priority is safety. Every precaution will be taken to ensure the protection of motorists and workers. Motorists are urged to slow down during construction. Not only is it required by law — it helps save lives.
