

Sorrento Valley Road Improvements

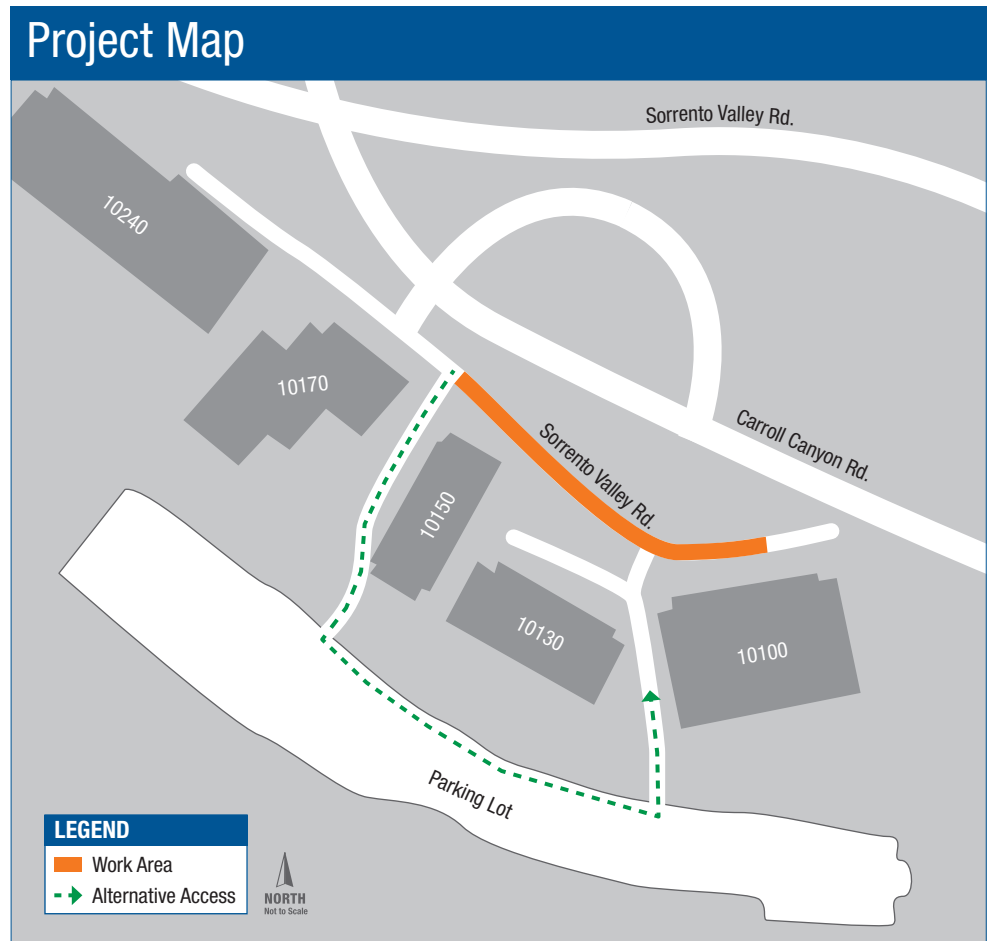

August 2017

Beginning Friday, August 11, the San Diego Association of Governments and Caltrans will be making improvements along Sorrento Valley Road just south of Carroll Canyon Road. The work includes patching and repaving the road, the replacement of a fire hydrant, and crosswalk improvements at the Sorrento Valley Road/Business Access Road intersection.

Most of the work will take place Monday through Friday, with weekend work as needed, between the hours of 7 a.m. and 3:30 p.m. and will last approximately three months. Please note, construction schedules are subject to change.

During work hours, nearby businesses and motorists can expect noise, traffic delays, and temporary road closures just east of 10150 Sorrento Valley Road. Alternative access to businesses will be maintained and clearly marked. All reasonable steps will be taken to minimize impacts to nearby businesses and travelers. Motorists are reminded to be “Work Zone Alert,” and slow down when workers are present. Your patience during construction is appreciated.

 For more information about the Sorrento Valley Road Improvements, please call **(619) 699-1950** or email us at **I-805North@KeepSanDiegoMoving.com**.
