

MID-COAST TROLLEY

# MID-COAST TROLLEY CONSTRUCTION UPDATE

MARCH 2020

## OVERNIGHT CLOSURES AND TRAFFIC SHIFTS FOR BALBOA BRIDGE FALSEWORK REMOVAL

Crews will continue removing falsework—or temporary support structures—from the Balboa Avenue Bridge beginning Monday, March 30 through Thursday, April 2. To accommodate this work, closures and traffic controls will be in place on the northbound Interstate 5 (I-5) off-ramp to Balboa Avenue as well as Balboa Avenue/Garnet Avenue.

This work is a continuation of falsework removal efforts that began on Wednesday, March 11 and were previously postponed due to inclement weather.

### What to Expect

The following closures and traffic controls will be in place from  
**9 p.m. to 5 a.m. each night:**

- Full closure of the northbound I-5 off-ramp to Balboa Avenue.
- Traffic shifts on eastbound and westbound Balboa Avenue/Garnet Avenue between Mission Bay Drive and Moraga Avenue. One lane will remain open in each direction at all times.
- Morena Boulevard and Balboa Avenue ramp restrictions may be in place during the traffic shifts.
- Detour routes and signage will be in place. Please heed all traffic signs and use caution when traveling near the work area.

*Pending the upcoming weather forecast, construction schedules are subject to change with very little notice.*

## About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
