

MID-COAST TROLLEY

# MID-COAST TROLLEY CONSTRUCTION UPDATE

APRIL 2020

## OVERNIGHT CLOSURES AND TRAFFIC SHIFTS ON BALBOA AVENUE/GARNET AVENUE

Beginning Sunday, April 19 and continuing through Thursday, April 23, crews will be performing exterior finish work and mounting an irrigation line near the Balboa Avenue Bridge. To accommodate this work, closures and traffic controls will be in place on the northbound Interstate 5 (I-5) off-ramp to Balboa Avenue as well as Balboa Avenue/Garnet Avenue.

### What to Expect

The following closures and traffic controls will be in place from 9 p.m. to 5 a.m. each night:

- Full closure of the northbound I-5 off-ramp to Balboa Avenue.
- Traffic shifts on eastbound and westbound Balboa Avenue/Garnet Avenue between Mission Bay Drive and Moraga Avenue. One lane will remain open in each direction at all times.
- Morena Boulevard and Balboa Avenue ramp restrictions may be in place during the traffic shifts.
- Detour routes and signage will be in place. Please heed all traffic signs and use caution when traveling near the work area.

*Pending the upcoming weather forecast, construction schedules are subject to change with very little notice.*

### Update on Construction During COVID-19 Pandemic

The government has deemed public works construction activities to be essential, so SANDAG is working to keep active construction projects moving while prioritizing the health and safety of its partners, contractors, and communities. For additional information, please visit [sandag.org/COVID-19](https://sandag.org/COVID-19).

## About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
