

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

FALL 2019

IMPACTS TO OLIVE STREET

Through late 2020, Mid-Coast Trolley crews will continue intermittent work on underground communication and electrical systems within the railroad right-of-way at Olive Street. Daytime work hours are Sundays through Thursdays, from 7 a.m. to 5 p.m., and nighttime work hours are Sundays through Thursdays, from 9 p.m. to 5 a.m. Some weekend work may also be required.

What to Expect

- Construction activities will include the testing of signals, railroad crossing arms, grounding systems, and the overhead catenary system.
- Residents and businesses may notice the presence of crews, work lights, and vehicle safety back-up alarms during construction.
- Crews will minimize impacts as much as possible.

**Construction schedules may change with very little notice.

About the Project

The Mid-Coast Trolley project will extend Trolley service from Old Town Transit Center to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed.

Major construction work began in 2016, with service anticipated to begin in late 2021.
