

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

SUMMER 2019

IMPACTS TO NOELL STREET, TAYLOR STREET, AND WASHINGTON STREET

Beginning Friday, September 6, and continuing through Monday morning, September 9, street closures and lane reductions will be in place on Noell Street, Taylor Street, and Washington Street as crews upgrade the train control system from the Santa Fe Depot to the Old Town Transit Center Station.

What to Expect

Noell Street

- Overnight full closures across the railway tracks at Noell Street are scheduled from Friday, September 6, through Sunday, September 8. Work hours will be 9 p.m. to 5 a.m. each night. Traffic controls will be in place and flaggers will be present throughout the weekend.

Taylor Street and Washington Street

- Full weekend lane reductions across the railway tracks at Taylor Street and Washington Street are scheduled from Friday, September 6, at 9 p.m. through Monday, September 9, at 5 a.m. Traffic controls will be in place and flaggers will be present throughout the weekend.

Through late 2020, Mid-Coast Trolley crews will continue intermittent nighttime work on underground communication and electrical systems within the railroad right-of-way along Noell Street, Taylor Street, and Washington Street. General work hours are Sundays through Thursdays, from 9 p.m. to 5 a.m.

Construction schedules may change with very little notice.

About the Project

The Mid-Coast Trolley project will extend Trolley service from Old Town Transit Center to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
