

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

MAY 2020

FRIARS ROAD CLOSURE

On Thursday, May 7, from 7 p.m. to 5 a.m., a full closure of eastbound and westbound Friars Road will be in place from Sea World Drive to Napa Street. This closure is necessary to remove temporary walkway supports from the San Diego River Bridge. Motorists will be detoured via Sea World Drive, Tecolote Road, Morena Boulevard, and Napa Street. Traffic controls and detour routes will be posted. Please heed all traffic signs and use caution when traveling near the work area.

Construction schedules are subject to change due to weather, equipment, and other issues. Check [KeepSanDiegoMoving.com/MidCoastNotices](https://www.KeepSanDiegoMoving.com/MidCoastNotices) for regular schedule updates.

Update on Construction During COVID-19 Pandemic

The government has deemed public works construction activities to be essential, so SANDAG is working to keep active construction projects moving while prioritizing the health and safety of its partners, contractors, and communities. For additional information, please visit sandag.org/COVID-19.

About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
